Gift Aid declaration

Australian Wildlife Conservancy UK is a registered charity (No.1126703) established in 2008 and dedicated to the conservation of Australia's threatened wildlife. UK taxpayers can increase their donations at no extra cost through Gift Aid. The charity will reclaim 25p (at current rates) of tax on every £1 you give if you sign and date this declaration. Please treat all donations I have made for this tax year and the six previous years and all donations I make in future, until I notify you otherwise, as Gift Aid donations. I understand that I must pay an amount of UK income tax and/or capital gains tax at least equal to the tax that the charity will claim from HM Revenue and Customs on my donation(s) in the tax year.
